# A Smart Solution with Outstanding Benefits

## LOWER FINANCIAL GUARANTEES, INCREASED CASH FLOW

With one financial guarantee that grants your agents access to all global OTAs on our network, you will benefit from a robust financial model that will allow you to free up your previously tied cash flow to each OTA and streamline your operational pipeline.

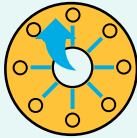

## LOWEST PRICES GUARANTEED TO BOOST YOUR MARGINS

Our extensive global partner network allows your agents to benefit from the most competitive rates in the market today.

## A DEDICATED ACCOUNT HANDLER FOR A PERSONALIZED EXPERIENCE

Upon partnering with us, a dedicated account manager will be appointed to handle your business. Acting as an extension to your back-office team, your account manager will follow up on all booked travel services and provide any support needed to streamline your operational efficiency.

## ESCALATING INCENTIVES, EMPOWERED PERFORMANCE

As we develop a working partnership, you can take advantage of our incentives structure designed to positively impact your bottom line as your business grows. Get all the details from our agents.

## IN-DEPTH ANALYTICS, BOOSTED SALES PIPELINE

Equipped with advanced reporting tools, your agents can easily identify client buying habits allowing them to customize and push offers at the right time. Frequent notifications will also update your team about the latest available promotions to up-sell your clientele.

## DYNAMIC SOLUTION WITH NO I.T. COSTS

N.O.W's White Label Products for B2B and B2C are easily customizable and equipped with a full XML API allowing you to fully integrate it within your business model. This enables you to take advantage of an advanced solution that will remain fully operational and secure at all times without having to worry about development or I.T. maintenance costs.

## 24/7 MULTILINGUAL SUPPORT

No matter your concern, our team of dedicated professionals are there to assist you at all times. Our customer service centers are strategically located around the world providing 24/7 multilingual support to ensure you and your clients have a seamless experience with no down time.
